

Taller 2

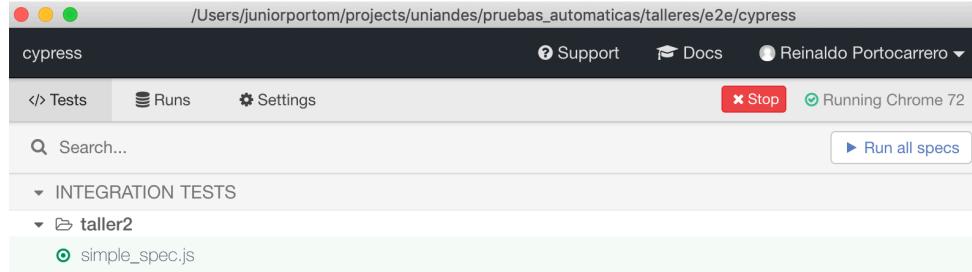

Automatización de Pruebas

Semana 3

Reinaldo Portocarrero

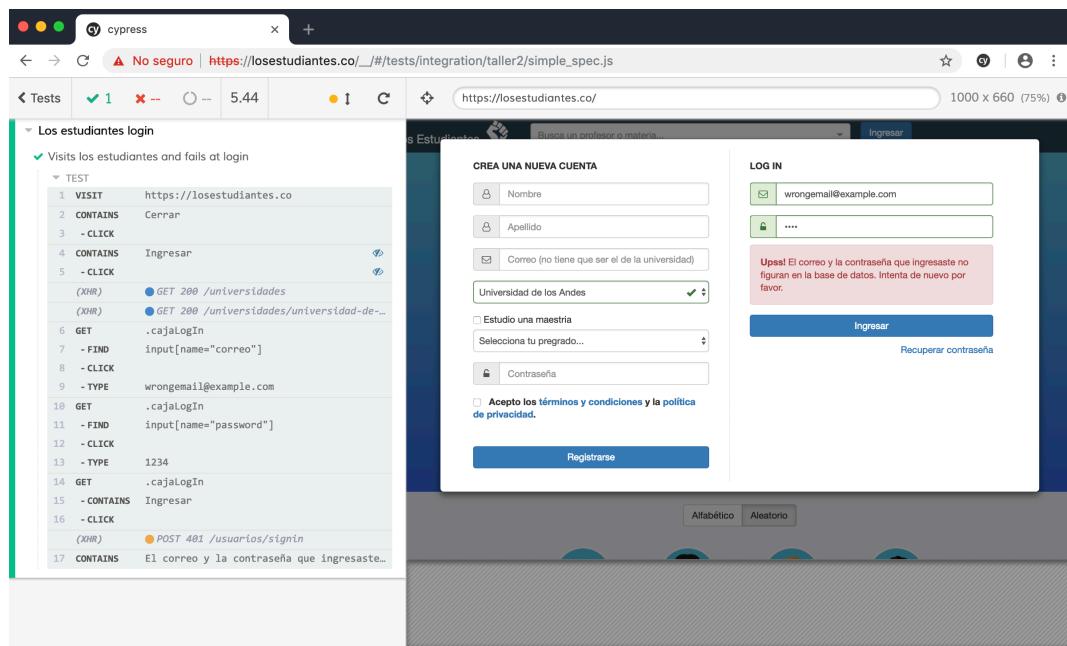

1. Evidencias de pruebas de Cypress

Evidencias Spec inicial

The screenshot shows the Cypress Test Runner interface. The title bar says '/Users/juniorportom/projects/uniandes/pruebasAutomaticas/talleres/e2e/cypress'. The main area has tabs for 'Tests', 'Runs', and 'Settings'. A search bar is at the top. Below it, there's a tree view with 'INTEGRATION TESTS' expanded, showing a folder 'taller2' which contains a file 'simple_spec.js'.

Version 3.1.5 | Changelog

The screenshot shows a Cypress browser window. The address bar indicates 'No seguro | https://losestudiantes.co/#/tests/integration/taller2/simple_spec.js'. The left sidebar shows a test named 'Los estudiantes login' with 17 steps, many of which fail with error messages like 'El correo y la contraseña que ingresaste...'. The right side shows a login form for 'losestudiantes.co' with fields for Nombre, Apellido, Correo, Universidad, and Contraseña. It also shows a 'LOG IN' section with a 'wrongemail@example.com' placeholder in the email field and a red error message: 'Ups! El correo y la contraseña que ingresaste no figuran en la base de datos. Intenta de nuevo por favor.'

Evidencias registro existente

The screenshot shows the Cypress Test Runner interface. At the top, there are three red, yellow, and green window control buttons. The title bar says "/Users/juniorportom/projects/uniandes/pruebasAutomaticas/talleres/e2e/cypress". Below the title bar, the word "cypress" is displayed. On the right side of the header, there are links for "Support", "Docs", and "Reinaldo Portocarrero". The main area has tabs for "Tests", "Runs", and "Settings". A search bar with the placeholder "Search..." is located next to a "Run all specs" button. Under the "Tests" tab, there is a tree view. The root node is "INTEGRATION TESTS", which has a child node "taller2". Inside "taller2", there are three files: "registro_existente_spec.js", "registro_exitoso_spec.js", and "simple_spec.js".

This screenshot shows a Cypress browser window running a test against the URL <https://losestudiantes.co/>. The test step "Visits los estudiantes and fails at login" has failed at step 31, with the message "CONTAINS Ocurrió un error activando tu cuenta". The browser's status bar indicates the test took 6.24 seconds. The test code on the left shows the sequence of actions taken, including visiting the site, closing a modal, and attempting to log in. The right side of the screen shows the actual application interface, which is a user registration form. A modal dialog box is open, displaying the error message "Ocurrió un error activando tu cuenta" (An error occurred activating your account) and the sub-error message "Error: Ya existe un usuario registrado con el correo 'prueba2@example.com'" (Error: A user is already registered with the email 'prueba2@example.com'). There is an "Ok" button at the bottom of the modal.

DOM Snapshot (pinned)

The screenshot shows a Cypress test runner window on the left and a browser window on the right. The Cypress window displays a failing test titled 'Los estudiantes login' with 23 steps. The browser window shows the 'Los Estudiantes' website, which features a search bar, a logo of a raised fist, and a message encouraging users to search and rate anonymously.

Evidencias búsqueda de profesor

The screenshot shows the Cypress interface with the path '/Users/juniorportom/projects/uniandes/pruebasAutomaticas/talleres/e2e/cypress'. The 'taller2' folder contains several test files: 'buscar_profesor_spec.js', 'login_spec.js', 'registro_existente_spec.js', 'registro_exitoso_spec.js', and 'simple_spec.js'. The 'simple_spec.js' file is currently selected.

Version 3.1.5 | Changelog

The screenshot shows a Cypress test runner interface on the left and a browser window on the right. The test runner shows a single failing test under the category 'Los estudiantes login'. The failing step is 'Visits los estudiantes and fails at login'. The browser window displays the 'Los Estudiantes' website, which is a platform for anonymous professor search and rating. A dropdown menu for 'Profesores' is open, showing a result for 'Mario Linares Vasquez - Ingenieria De Sistemas'. The browser status bar indicates the URL is https://losestudiantes.co/_/#tests/integration/taller2/buscar_profesor_spec.js and the dimensions are 1000 x 660 (75%).

Evidencias página profesor

Mac OS X window showing the Cypress UI. The title bar says "/Users/juniorportom/projects/uniandes/pruebasAutomaticas/talleres/e2e/cypress". The main area shows a file tree under "cypress" with "Tests" selected. The tree includes "INTEGRATION TESTS" and "taller2" folder containing files: buscar_profesor_spec.js, login_spec.js, pagina_profesor_spec.js, registro_existente_spec.js, registro_exitoso_spec.js, and simple_spec.js. A "Running Chrome 72" status bar is at the top right.

Mac OS X window showing the Cypress browser interface. The title bar says "cypress". The address bar shows "No seguro | https://losestudiantes.co/_#/tests/integration/taller2/pagina_profesor_spec.js". The left sidebar displays the test runner with 1 green checkmark and 0 red X's, and a total time of 10.86. The main content area shows a screenshot of a professor profile page on "losestudiantes.co". The page features a profile picture of Mario Linares Vasquez, Ingeniería de Sistemas, Universidad de los Andes. It shows a green progress bar for grades (4.36 to 4.30) and a note that 95.24% of students pass. Below the profile is a "Filtrar por materia" dropdown menu. To the right, there's a sidebar titled "Profesores de Ingeniería de Sistemas:" listing various professors with their names, ratings, and reserve counts. A "DOM Snapshot (pinned)" button is visible at the bottom right of the screenshot area.

Evidencias filtros por materias en la página del profesor

The screenshot shows the Cypress Test Runner interface. The title bar reads "/Users/juniorportom/projects/uniandes/pruebasAutomaticas/talleres/e2e/cypress". The main area displays a tree view of test files under the "taller2" folder:

- INTEGRATION TESTS
 - taller2
 - buscar_profesor_spec.js
 - filtros_materia_spec.js** (highlighted)
 - login_spec.js
 - pagina_profesor_spec.js
 - registro_existente_spec.js
 - registro_exitooso_spec.js
 - simple_spec.js

At the bottom of the interface, there is a footer bar with the text "Version 3.1.5 | Changelog".

Agregar materia al profesor

Constr. Aplicaciones Móviles 2017-10

Mario es un muy buen profesor y así mismo es exigente a la hora de calificar. Es uno de los pocos profesores que está dispuesto a escuchar a los estudiantes y ajustar tanto los parámetros de calificación como las fechas de entrega en pro del aprendizaje.

Pros: Enseña bien
Exige lo que enseña
Cons: Falta un poco de conocimiento en iOS para clase de móviles donde se exigen las dos plataformas

De acuerdo 2 □ ¿No estás de acuerdo? - Comentarios(0)

Constr. Aplicaciones Móviles 2017-10

En móviles Mario es un crack, especialmente en Android. Se nota que ha dedicado mucho de su tiempo aprendiendo la plataforma, sabiendo como esta estructurada y estudiándola profundamente.

Así como en Web, Mario no ha sido del todo claro con los criterios de los proyectos, y entonces uno al desarrollar el proyecto no sabe específicamente que es lo...

Pruebas Automáticas 2018-10

Mario siempre esta pendiente por brindar una oportuna comunicación con los estudiantes, atento a los cambios y las oportunidades de mejora que se pueden dar en las clases.

Pros: Los talleres no refieren las versiones utilizadas de las herramientas

De acuerdo 0 □ ¿No estás de acuerdo? - Comentarios(0)

Pruebas Automáticas 2018-10

Un profesor bastante exigente, enseña excelente material y lo último.

Pros: Excelente material, amplio conocimiento
Cons: Los parciales tienen muchas cascarras. Las versiones de npm suelen estar desactualizadas. A veces el proyecto individual no deja espacio para lo grupal.

De acuerdo 0 □ ¿No estás de acuerdo? - Comentarios(0)
